

Neighbourhood Planning Intentions: Town & Parish Survey Questions

Autumn 2023

Section 1: Introduction and Instructions

East Devon District Council would like to invite town and parish councils to participate in a short survey related to neighbourhood planning. This will be used to inform the on-going preparation of the new local plan for East Devon, as well as the neighbourhood planning support we offer to communities.

We are keen to hear from as many town and parish councils as possible, regardless of whether any neighbourhood planning activity has been undertaken or is anticipated in the future. This will help to give a full picture of neighbourhood planning activity and intentions across east Devon.

The survey should take no longer than 20 minutes to complete.

All responses need to be submitted online at:

o [Link to be entered here](#)

The deadline for responses is close of play **Friday 8th December 2023**.

Before you complete the survey, please note:

A. This consultation is split into three sections:

- Section two: Towns and Parishes with a 'made' (adopted) neighbourhood plan with no site allocations.
- Section three: Towns and Parishes with a 'made' (adopted) neighbourhood plan with site allocations.
- Section four: Towns and Parishes without a 'made' (adopted) neighbourhood plan.

Select the parish you are responding on behalf of under the relevant section.

You must only complete one section of the consultation, as appropriate to your area.

- B. We fully appreciate that any responses related to future intent can only be indicative and are subject to change. We would however be grateful if you can ensure as far as possible that the response reflects up to date views of your Parish/Town Council, informed as appropriate by discussion with parish/town councillors and neighbourhood planning groups.
- C. The person submitting the response should ensure they have the necessary authority/approval to submit this response on behalf of the relevant Parish/Town Council. This would normally be expected to be the Clerk, Chair, Vice Chair, or Councillor with a planning responsibility. Submissions could also be made by your Neighbourhood Planning Group lead, if preferred. The survey is open for 6 weeks to facilitate responses being agreed by formal meeting, if considered necessary.
- D. The survey will form part of the evidence base for the new Local Plan. Therefore responses will be made publicly available. Any personal data (personal email or telephone numbers) will be removed before publishing/sharing in accordance with our Planning Policy Privacy Notices:
- [Privacy notices - East Devon](#)
- E. **You will need to complete and submit the survey at the same time as answers cannot be saved and returned to later.** This survey questions are provided in full below for reference. You may wish to prepare your answers in advance. If you sign in via a Commonplace account, this will enable you to view the response you have submitted, as well as register for updates about the survey. If you do not have a Commonplace Account and do not wish to create one, we will still provide updates direct to all of our town and parish councils.

Thank you in advance for your time.

We will share the results of the survey with you in due course and may contact you to discuss your response if we need more information.

If you have any questions, please contact our neighbourhood planning officer, Angela King:

Tel. 01395 571740

Email aking@eastdevon.gov.uk

To start the survey:

Select the parish you are responding on behalf of from the appropriate dropdown menu, depending on whether your parish has:

- a 'made' neighbourhood plan (with no site allocations) – **complete Section Two ONLY**;
- a 'made' neighbourhood plan (which includes site allocations) - **complete Section Three ONLY**, or;
- no 'made' neighbourhood plan (this includes if you have an emerging plan) - **complete Section Four ONLY**

This will then automatically guide you through the survey to questions appropriate to your area.
